

## PURE INSPIRATION – POLLMEIER WASHED LOOK

*Solid beech wood, extraordinary durability*

Washed Look hardwood flooring by Pollmeier blends modern design with the timeless beauty of European beech wood – hand selected from the pristine forests of Germany. Let the warmth and richness of the wood inspire you.

With six distinctive colors, it's perfect for those with an exceptional sense of style, and who insist on creating a unique, signature look for the home or office. As durable as it is versatile, Washed Look hardwood flooring is ideal for large, open areas, including weekend and vacation homes, as well as retail and commercial establishments. Because it conceals signs of wear that build up over time, your floor will continue to look incredible, year after year.

And like all Pollmeier products, it's German engineered for absolute precision.
